## *A Pastoral Letter.....*

Dear St Michael's Parish Family, and all our Friends.

Vision for God, please feel free to join me on this reflection on Jesus Pastoral Leadership in our Christian daily living.

'I am the Good Shepherd. I know my sheep and my sheep know me.' In these words it is as if our Lord were saying: 'Those who love me, obey me.' Certainly, those who do not love the truth cannot yet know it.

My dear brothers and sisters, let us reflect upon how these words of our Lord imply a test of our own. Ask yourselves first if you are indeed sheep of Jesus; and secondly, if you know him and recognise the light of truth. We recognise truth not simply by faith but by love. You recognise truth not by the assent of the intellect, but by the love you express in your deeds. As the apostle John says: 'Those who say that they love God, but disobey his commandments, are liars.'

Jesus goes on to add the following words: 'My sheep hear my voice, and I know them, and they follow me, and I will give them eternal life.' A little earlier he said also: 'If any enter by me, they will be saved, and will go in and out and find pasture.' That is to say, they will go in by faith, and go out from faith to vision, from belief to contemplation, and will find pasture in the eternal banquet God has prepared.

The Lord's sheep will find the Lord's pastures. Those who follow Christ with an undivided heart will be nourished in pastures that are forever green. And what are such pastures if not the most profound joy of feeding in the everlasting fields of paradise? For the pasture of the saints is to see God face to face. When the vision of God never fades, the soul is filled with an abundance of food for eternal life.

And so dear friends, let us seek these pastures and join the throng of the citizens of heaven. Let their happiness and celebration be an invitation to us. Let our hearts grow warm; let our faith be rekindled; let our desire for the things of heaven increase; for to love in this way is indeed to be on the way.

We should allow no misfortune to distract us from this happiness and deep joy; for if you are determined to reach the destination of your spiritual journey the roughness of the road will not deter you. Nor should the delights of material prosperity in this life ever entice you astray; only the foolish traveller, spotting a pleasant field on the way, forgets that he is en route to a greater destination.

Be blessed with much prayers from,

*Fr. George.*

## Funerals

28<sup>th</sup>.April 2009

**MARJORIE FOUNTAIN** Marjorie was born in Watford and lived for a few years in Hagden Lane, but later the family moved to Maythorne Close, and it was here that she lived the rest of her life – almost 80 years. As a young girl she was often taken to school on the back of her father's bicycle. As a young women she worked at Scammells as a secretary and it was here that she met her future husband, Edward. During the war she did voluntary work as a telephonist at the First Aid Station behind the old fire station.

Marjorie and Edward were married at St. Michael's, in the snow in February of the very cold winter of 1947. They had two children, Carol and Colin.. Marjorie was a friendly lady who loved her home and her garden. On their 60<sup>th</sup>. Wedding Anniversary Edward and Marjorie celebrated with a special meal at a restaurant and were very thrilled when they received congratulations from H.M. the Queen. We send our sincere sympathy to Edward and the family.

## ST MICHAEL'S MOTHERS' UNION DIARY

Thursday 18th June      10am Corporate Communion and meeting afterwards for coffee in the vestry.

*Pat Gandy*

### CHORAL EVENSONG - SUNDAY 7th JUNE at 6.30pm

On Sunday 7th June the choir will sing evensong at St Michael's. If you can, do come and join us for this service which will include music by Mendelssohn in this, the 200th year since his birth.

Our anthem will be Hear my Prayer (words from Psalm 55) which has been, for many generations, famous in this country through a recording made in 1927 by the Temple Church Choir with Ernest Lough the boy treble soloist singing the beguiling melody of "O for the wings of a dove".

We cannot promise Ernest Lough but our very own Christine Deeley is practising her top A's!

It would be good to have some seats occupied in the nave as well as in the choir stalls. Please join us for this special service.

*Pat Beach*

On Saturday 27<sup>th</sup> June we will be holding a Coffee Morning together with a Bring & Buy Sale in aid of the Leprosy Mission from 10.30 till 12 noon in church.

Your support will be most welcome.

*Norma & Sylvia*

## THE BIBLE – SHARE YOUR THOUGHTS

For most of us, our earliest experiences include Bible stories. From that, our understanding of the Bible develops gradually, in school or Sunday school. As regular worshippers, we hear biblical readings weekly, and innumerable references to the Bible. We are often reminded that regular use of the Bible is an essential part of our fellowship with Jesus, who, in his earthly ministry, relied constantly on his comprehensive knowledge of the Hebrew Bible – what we call the Old Testament. The story of his ministry and teachings, as presented in the New Testament, whether we read it privately or publicly, is essential to Christian discipleship.

Except for the proper lessons on Sundays, and occasionally on other holy days, most ways of reading the Bible nowadays are solitary. Most of us can benefit, however, by reading the Bible in a group. The background to these extraordinary writings can be explained, and their meaning can be explored together.

Before Father John retired, he led a group of about a dozen people who met monthly, usually in the choir vestry, to study the Bible. We benefited greatly from his wisdom and understanding, especially his knowledge of ancient Greek. During the vacancy, members of the group have continued to meet, led in rotation by group members.

In recent years, the group has read St. Mark's Gospel and the Acts of the Apostles. We have just finished the First Book of Samuel. Before our next meeting (due to be held on Wednesday 10 June at 8.00 p.m.), we would like our present members and others to say which book of the Bible we might study next. It would be sensible to return to the New Testament, but it depends on what people want.

We have been using the Church's stock of the Revised Standard Version of the Bible, but the edition is not ideal, so we would like to know people's preferences about that too.

We would like to welcome more members to our group, and that would be a good message to our new Parish Priest in due course. So please consider whether this would be something for you; and in any case, tell Violet or me if you have ideas about which book to read.

## AN ECUMENICAL SERVICE OF THANKSGIVING FOR CREATION AND BLESSING OF ANIMALS

This will be the second service of its kind to be held in a Watford church, and both of them at St Michael's!

The mission of the Anglican Society for the Welfare of Animals is to foster among the Christian community the reality of God's love for all of his Creation. God's love is not only for people. It is written emphatically in the Bible that God made his covenant with all living things, and to us humans God gave the very important and responsible task of caring for the animals and all that he made. We need to remember that he didn't create animals as commodities just for us! So wouldn't it be nice to have a regular prayer for them in our services?

On Sunday 5th July come to church in the morning as usual, and in the afternoon come to this special ecumenical service with any companion animals that are happy to come. Let us start our inclusion of animals in our worship and prayers by focussing on those who live with us. By so doing we can begin to embrace all the animal kingdom in our faith where, by rights, it really should be!

Father George will be assisted by Revd. Peter Robbins from Beechen Grove Baptist Church and maybe ministers and members of other Watford churches as well

An e-mail received by Martin & Gillian Heath on Tuesday 26<sup>th</sup> May

**Subject: Bangladesh heated by cyclone "Eyela"**

Dear Martin and Gillian,

I am sorry to inform you that the storm was not at all a light one I thought yesterday. From yesterday evening it has become very strong cyclone and gone through from the South-West coastal area to the north. The sea water came up to 7-8 feet high and washed away many houses and crops in the coastal area. You know one of our parish Kanainagar just opposite to Sunderban again effected badly after the 'Sidr' in 2007. The death toll is at present about 20, but it will increase and many are still missing. Till now the weather is not normal.

Thus, remember us in your prayers,

Bishop Paul

## **Hospital Chaplaincy Visitors**

I hope that you received posted details of our search for Volunteer Visitors in April. I understand that a good number of churches have given very helpful publicity to our need for suitable people to offer spiritual care to our patients in Watford General Hospital, and the Chaplains are very grateful for this. I am hoping that by using the Synod list this message will go to clergy and administrators - my apologies if this is not relevant to you.

I am concerned to achieve the maximum possible coverage for our needs in our local faith communities, so I am sending the details again via email because the letter and flyer can be reproduced more easily in this format. My thanks to Geoff Warren for allowing me to send this through.

Magazines for June are likely to be assembled and edited at this time, and if you do feel able to print our letter and/or the flyer it will help our work in the hospital as well as provide opportunities for those who feel called to undertake such ministry.

The original deadline was 31 May 2009, but it has now been extended to Monday 15 June which is the last date by which we can accept enquiries in order to see people through the selection process before beginning training in September.

The Spiritual and Pastoral Care Department is available to receive referrals from ministers, and we are able to visit and follow-up those in need. We are organised so that the ordained and lay ministers working in the hospital can offer care to those coming for routine or emergency care.

Please ring our office on 1923 217994.

Many thanks,

Doug Loveridge

*Unfortunately the editor did not receive the information sent in April but hopefully this latestest letter will encourage people to offer themselves as Volunteer Visitors at Watford General Hospital. Ed.*

#### **FATHERS' DAY**

*Father God, - what a picture of warmth and affection, support and strength. WE thank you for fathering us, for your constant on-going unconditional love for us. WE thank you for our earthly fathers who often echo this love. But we remember too before you those for whom the sight of cards of cards and gifts for dad in the shops evoke memories of violence and neglect. Lord, as fathers' Day comes around, mat those who dread the season because of their terrible experiences, come to find in you a different fatherhood and deeper pictures of nurture and love. In Jesus 'name, we ask this - AMEN*

7th Yorkshire Baptist Association

14th Ministry - The Ministry Department supports ministers

throughout all stages of their service including a conference this week for Newly Accredited Ministers.

21st Brighton Road Baptist Church, Horsham (South Eastern)

28th Mission Department - The Mission Department is a busy team that aims to equip churches and Regional Associations to fulfil their God-given mission.

**From the Baptist Missionary Society's Prayer Guide:**

May 31st - June 6th Peru - 'The Peruvian Baptist Convention is living a new moment since partnering with BMS World Mission began five years ago.' - the words of the Convention President. Church planting in the Andes, social mission in the Amazon, disaster preparation and relief and local leadership training nation-wide are areas in which the UK and Peruvian Baptists are now working together bringing new life and hope in Jesus' name.

7th - 13th Persecuted Christians - Today in the world there are millions of believers who are still persecuted and face death on a daily basis. The reason for this is that they have professed faith in Jesus. They live in countries where it is difficult to express their religion openly - but we can stand with them through prayer and fasting. Let's pray that God's Spirit will bring change!

14th - 20th Albania - As Albania revamps its own secondary education system with a new curriculum, planned to be launched in late 2009, GDQ - a school predominantly for mission workers' children in Tirana - is also entering a brave new world by offering year ten and subsequent grades from September this year. Pray for the successful implementation of both the government's plans and for the role that the BMS has in this country.

21 st - 27th Relief work - Whether a result of natural forces or human conflict and greed, disasters happen. We aim to be ready to respond quickly to make a genuine and effective difference. BMS relief grants have saved, healed and radically changed the lives of 'OOO's of people in last year, but those people and many others still need our prayerful concern.

28th June - 4th July - South Africa and Zimbabwe - As the people of Zimbabwe continue to struggle to obtain basic foods, clean water, education and healthcare for their families, we pray this week for that country, as well as the nation of South Africa which has a strong political and economic influence in the region. Within these countries, church leaders have difficult decisions to make as they minister in the various local communities.

**Church and Family News & Views:**

In the first few days of this month please particularly remember Chris Skinner as he undergoes urgent surgery at University College Hospital in

**your prayers and for the surgeon and nursing staff who will looking after him.**

**A number of our congregation are victims of the 'bug' that is causing a bad never-ending cough to the point of exhaustion - again we uphold them in our prayers.**

**Our numbers were well down on May 10th when we took up our Christian Aid collection - this raised £81, some of which was 'gift-aided'. To this was added £52 raised by Cafe West on the 22nd. So our contribution is appreciable.**

**The cheque for the grant of £3250 from the Mayor of Watford's fund has been received and the contract for the installation of a toilet for the disabled has been signed. The work will be starting in the next few weeks and will inevitably cause some disruption which we ask you to endure.**

**Regrettably our team for the recent Supper Quiz at Trinity Methodists eventually became just me - so I joined a table of mostly St Michael's folk and had the pleasure coming last and accepting the 'booby' prize! !**

**On the 6th there is the 'Monster Picnic' in Cassiobury Park and on July 5th there is the annual Christians Across Watford's service at the Bandstand near the Library at the top of the Town at 11.00am.**

**We've received news that Steve and Caroline Sanderson are moving to Gulu in northern Uganda. This is an area where malaria is rife and the other slight complication is that Caroline is expecting their second child! Our prayers are essential!!**

**I still have some tomato plants for sale - please contact me either at Church or phone 677372 with your requirements.**

**Birthdays:**

**5th Dorcas Aluma (4)**

**7th Nigel Steffens**

**15th Peter Snow**

**20th Joyce Poulton**

**30th Jimmy Collings (husband of Beatrice) - we wish them all a very happy day when it arrives.**

**'Tale' piece:**

**Heard a rather amusing tale recently - At a family conference it was agreed to distribute the family heirlooms more equally among the members. Aunt Maud was asked to send the family Bible to her nephew. So she parcelled it up and took it along to her post office. As she placed**

the parcel on the scales the post office counter clerk asked if there was anything breakable in the parcel. Aunt Maud thought for a moment 'Only the Ten Commandments', she replied.

**EUROPEAN ELECTIONS - JUNE 2009**  
**A Statement from the Regional Church Leaders:**  
**The Bishops of the Church of England and the Roman Catholic Church**  
**The Leaders of the Free Churches**

On 4th June, the people of the East of England will choose our representatives in the European Parliament. The regional voting system means that every vote counts. As Church Leaders in the region we encourage everyone to exercise their right to vote and to do so with the well-being of all people in our communities in mind.

The East of England has a notable history of welcoming people fleeing persecution elsewhere in Europe, sometimes on religious grounds. As Christian Leaders in this generation, we believe that hospitality and living together with mutual respect remain the foundation of a civilised society. All human beings are created equally in the image of God. That is why racism is a sin. Christ calls us to love our neighbours as ourselves and in this forthcoming election we believe it is right to be vigilant about any party or individual candidate seeking to use people's fears for their own wellbeing to stir racial or religious hatred.

At a time when many people are anxious about their jobs, finances and future, we pray that the best and most generous traditions of our national life will guide all voters on June 4th.
